For the Serious Scotch Connoisseur

Even dads who love Islay malts probably haven't heard of the Glenrothes, a creamy, under-the-radar Speyside single malt that's now available in a handy tasting pack of three variations (\$70 at Park Avenue Liquor Shop, 292 Madison Ave., nr. 41st St.; 212-685-2442). It tastes better in a proper Scotch glass, like this Bottega del Vino Crystal with two hand-cut measuring lines (\$25 at Beekman Liquors Inc., 500 Lexington Ave., nr. 47th St.; 212-759-5857).
