**New England Wine Gazette**  
 The New England Wine Gazette is dedicated to the wine news of the region. The Wine Gazette includes news about the vineyards, the wines, wine events and winemakers. Be up to date on the latest in wine and food pairings and where to dine. Read the wine gazette and be informed about vineyard news from Bar Harbor to Manchester to Boston to Mystic and Newport. The Finger Lakes, Long Island and Virginia are also part of our quarterly newspaper wine group.
